OBSERVATIONS

ON

THE EMIGRATION STATISTICS OF IRELAND
FOR THE YEAR 1901.

TO HIS EXCELLENCY GEORGE HENRY, EARL CADOGAN, K.G.,

Esq., Esq., Esq.,

LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND

MAY IT PLEASE YOUR EXCELLENCY,

I have the honour to submit detailed Tables regarding Emigration from Ireland during the year 1901, showing by Sexes, the ages, occupations, and civil or conjugal condition of the Emigrants, with the ports at which they embarked, and their intended destinations. Emigration from Irish Ports.

The number of Emigrants who left Irish ports in 1901, was 39,870, or 9.0 per 1,000 of the estimated population of Ireland in the middle of the year, being a decrease of 7,237 as compared with the number in 1900. The number of males who emigrated last year, was 18,343, or 4,952 less than in the previous year, and of females 21,527, a decrease of 2,295.

Of the 39,870 Emigrants in 1901, 39,613 were natives of Ireland, and 257 were persons belonging to other countries. Compared with the corresponding figures for 1900, the number of Emigrants, natives of Ireland, shows a decrease of 5,675, and the number of persons belonging to other countries a decrease of 1,562.

The following Table (I.) gives the number of Emigrants from each Province in 1900 and 1901, by Sexes, with the decrease in the latter year. Of the 39,613 natives of Ireland who left the country last year, 8,400, or 3.0 per 1,000 of the population of the Province in 1901, were from Leinster; 16,381, or 15.2 per 1,000, from Munster; 8,740, or 5.6 per 1,000, from Ulster; and 11,092, or 17.1 per 1,000, from Connaught—the total number being equal to 8.9 per 1,000 of the population of Ireland in 1901.

Comparing 1901 with 1900, Leinster exhibits a decrease of 437, Munster a decrease of 1,553, Ulster a decrease of 698, and Connaught a decrease of 2,968 Emigrants.

TABLE I.—Showing the Number of Emigrants from each Province, during 1900 and 1901, and the decrease in the latter year.

Number of
Emigrants,
1851-1901.

The total number of Emigrants—*natives of Ireland*—who left Irish ports from the 1st of May, 1851 (the date at which the collection of these returns commenced), to the 31st of December, 1901, is 3,881,032,—2,021,471 males, and 1,859,561 females. The number for each year is given in the following Table (II.), from which it appears that the highest number in any one year, was 190,322, in 1852, and the lowest, 32,241, in 1898. In the decade, from 1866 to 1875, the average number of Emigrants, was 74,667; in the decade, 1856 to 1865, the average annual number amounted to 88,272, and in the four preceding years, from 1852 to 1855, the number averaged 148,985 annually. In 1876 the number fell to 37,587, the lowest number for any of the 26 years, 1851-76. After 1876 it increased steadily, but slowly, for three years to 38,503 in 1877, 41,124 in 1878, and 47,065 in 1879. In 1880 the number rose to 95,517, but it fell to 78,417, in 1881. In 1882, however, an increase of 10,719 took place; there was a further increase in 1883, in which year the Emigrants amounted to 108,724; then a decrease of 32,861 took place, in 1884, compared with 1883, and a decrease of 18,329, in 1885, compared with 1884, followed by an increase of 1,101, in 1886, and a further increase of 19,788, in 1887, in which year the number was 82,923. After 1887 there was a gradual annual decline to 35,895, in 1894; in 1895 the number rose to 48,703; it then fell to 38,995, in 1896; to 32,585, in 1897; and to 32,241 in 1898. It rose again to 41,332, in 1899, and to 45,288, in 1900, but fell again to 39,613 in 1901.

TABLE II.—Showing the Number of Emigrants—NATIVES OF IRELAND—in each year, from the 1st of May, 1851,* to the 31st of December, 1901.

* The date at which the collection of these Returns commenced.

Number of
Emigrants
from each
County and
Province.

The succeeding Table (III.) is in continuation of one published annually for some years past, and gives the number and sex of the Emigrants, from each county and province from the 1st of May, 1851, to the 31st of December, 1901. For purposes of comparison of the several counties and provinces, the per-centage of Emigrants to the population†, is also shown.

From this Table it appears that during the above period 3,925,138 persons emigrated from Irish ports. Of these, 3,881,032 were natives of Ireland, and 44,106 were persons belonging to other countries. The former number (3,881,032) is equivalent to 72.5 per cent. of the average population†; Munster having contributed 1,363,270 persons, being equal to 97.9 per cent. of the average population of the province; Connaught, 627,581, or 75.8 per cent.; Ulster, 1,092,954, or 61.3 per cent.; and Leinster, 686,609, equivalent to 50.9 per cent. of its average population†. In 110,668 cases the county from which the persons came, was not specified in the returns; since 1876, however, this information has been given in every case, with the exception of 53 in 1880.

† Calculated on an average of the Census Numbers for 1851, 1861, 1871, 1881, 1891 and 1901.

* Based on the Census Returns of 1851, 1861, 1871, 1881, 1891, and 1901.

Ages of Emigrants.

The ages of the Emigrants are given by Provinces in the following Table (IV.) from which it appears that 80.5 per cent. of the persons who left Ireland in 1901 were between the ages of fifteen and thirty-five years, the percentage over that age being 10.0, and of children under fifteen years 9.5. The corresponding percentages in 1900 for the three age-periods given above, were 82.2, 9.2, and 8.6 respectively. The percentage of the Emigrants in 1899, who were from fifteen to thirty-five years of age, was 82.9; in 1898, 83.1; in 1893, 85.0; in 1892, 88.2; in 1891, 82.5; in 1890, 81.0; in 1889, 79.7; in 1888, 80.1; in 1887, 79.8; in 1886, 78.1; in 1885, 75.2; in 1884, 70.5; in 1883, 67.9; in 1882, 74.8; in 1881, 76.0; and in 1880, 75.7 per cent.

On pages 8 and 9 will be found a Table showing the ages of persons who emigrated from each county, and of persons belonging to other countries, who embarked at Irish ports, distinguishing the sexes and conjugal condition. The only quinquennial age-period in which the females greatly outnumbered the males is that between fifteen and twenty, when the number of females was 3,952, and of males 1,594. The quinquennial period 20—25 years, furnished the largest number of both male and female Emigrants—the persons of this age forming 42.5 per cent. of the entire number of Emigrants.

Of the 18,343 males who emigrated, 1,806, or 9.8 per cent., were returned as married men or widowers; and of the 21,527 females enumerated, 2,968, or 13.7 per cent., were described as married or widowed. Of the 16,927 persons between the ages of 20 and 25 years, 245 only were married—44 males and 201 females.

Of the 39,613 natives of Ireland who emigrated in 1901, 33,549, or 84.7 per cent., went to the Colonies or to Foreign Countries; and 6,264, or 15.8 per cent., to Great Britain. The United States of America absorbed 31,942, or 80.6 per cent., of the number of these Emigrants in 1901, compared with an average of 32,453, or 85.9 per cent., for the four preceding years. The number of Emigrants to New Zealand, which had fallen from 322 in 1887 to 87 in 1888, rose to 90 in 1889, and to 126 in 1890. It also showed a small increase in 1891, when 145 persons left for that Colony; but fell to 101 in 1892, and to 94 in 1893; in 1894 it rose again to 114; it then fell gradually to 36 in 1898; but rose to 56 in 1899, and to 64 in 1900; it fell again to 56 in 1901. Emigration to Canada shows an increase in 1901 compared with 1900, the numbers being 569 in 1901, and 472 in 1900. The Emigrants to Australia numbered 595 in 1901, against 834 in 1900, 1,005 in 1899, 837 in 1898, 676 in 1897, 545 in 1896, 629 in 1895, 457 in 1894, 511 in 1893, 1,216 in 1892, 1,821 in 1891, 2,338 in 1890, 3,038 in 1889, 3,110 in 1888, and 3,896 in 1887. The 187 persons who went to "Other Countries" last year, include 1 who went to France, 5 to India, 178 to South Africa, 1 to Buenos Ayres, and 2 to the West Indies.

Of the 31,942 Emigrants to the United States in 1901, Munster contributed 13,377; Connaught 10,853; Ulster 4,974, and Leinster 2,738. Leinster contributed 257 of the 595 who left for Australia. Ulster furnished the largest contingent to Canada—435 out of a total of 569.

As before stated, 6,264 natives of Ireland left Ireland in 1901 with the intention of settling permanently in Great Britain; of these 4,077 left for England and Wales, and 2,187 for Scotland, the averages for four preceding years being 2,469 and 1,351 respectively; 64.6 per cent. of the number who went to England and Wales, were Munster people, and of the 2,187 who went to Scotland no less than 1,948 were from Ulster, 963 of these being natives of the County of Antrim.

It may be well to add that the Enumerators are instructed to make a return for each passenger ship which may sail from any port within their district, and that by "Emigrant" is to be understood a person who leaves Ireland with the intention of settling permanently elsewhere.

TABLE V.—Showing the Destinations of the Emigrants—Natives of Ireland—who left during the years 1897, 1898, 1899, 1900 and 1901; the estimated Population in the middle of each of those years; the Ratio of Emigrants to the Population; and the Proportion per cent. of the total number of Emigrants, who left for each Destination.

Year	To the Colonies and Foreign Countries					To Great Britain			General Total	Estimated Population in the middle of each Year	Ratio of Emigrants to every 1,000 of the Population

A Table showing the destinations of the Emigrants in 1901, the population in 1901 (unrevised), and the ratio of Emigrants to every 1,000 of the population for each county and province, is given at page 12.

A Table showing the occupations and ages of the Emigrants of each sex in 1901 will be found on pages 10-11. From this it will be seen that of the 16,475 males aged 15 years and upwards, 13,359 or 81.1 per cent., were returned as "labourers;" and of the 19,623 females of these ages, 15,638, or 79.7 per cent., were entered as "servants."

In conclusion, I beg to state that it affords me much gratification to inform your Excellency, that those members of the Royal Irish Constabulary and the Dublin Metropolitan Police, who were selected as Enumerators of the Emigration Statistics, discharged this duty with their usual efficiency.

I have the honour to be

Your Excellency's faithful servant,

ROBERT E. MATHESON,

Registrar-General.

GENERAL REGISTER OFFICE,

Charlemont House, Dublin,

17th February, 1902.

EMIGRATION STATISTICS OF IRELAND, 1901.
